

High School Schedule

We will be using a blind draw format every Sunday at 9:00 AM Game Time:

- All girls will receive two jerseys and should bring both each weekend.
- Each weekend, one coach will be assigned to lead a team while the other four will serve as referees.

How the Blind Draw Will Work:

- On Sunday, September 13, the girls will write their names on one side of their stick.
- When they arrive, they will place their stick in the middle.
- A coach will then draw sticks into two piles to form that weekend's teams.

This format ensures the girls get to play with different teammates throughout the season, keeping things fresh, fun, and competitive.
